A Little Piece of History

Altomonte's Italian Market offers the best quality of meats available. Opening a market was a natural thing to do because since age 12, Mike worked at his father's butcher shop in his hometown of Calabria, Italy. After moving to the USA, he and his wife, Frances, opened Mike's Meat Market in Germantown in 1971. Ten years later they relocated the market to Warminster. Today you will still find Mike, along with his brother, Ralph, providing excellent cuts of meats served up in traditional old-world style.

The Butcher Shoppe is located in our Warminster store. Select items are available in our Doylestown store. Please allow 24-hour notice for any Butcher Shoppe items or freezer order items for Doylestown.
